

Assignment No. 6

Due: 15 June 2015

There is no word limit/requirement for this exercise and bullet points would be preferred. You may write in any variety you are competent in, such as English, French, Spanish, German and/or Arabic. The grammar, spelling, and prescriptive conventions are not evaluated for the assignment. You do not need to edit, revise a number of times, or attend in any special way to form or language. You should just write in a way that is clear to you.

Loanwords

For assignment no. 5 you were to have discovered and analyzed 10 lexical items in a language other than English that you know which are borrowed from another language. List the word, its source language, and describe the changes in terms of consonant changes and phonotactics. We will be discussing this in class on Monday.

Example: tʃi.po.tle (Sp.) tʃi.pout.leɪ (Eng) ‘Chipotle’
 - Resyllabification of “tl” cluster

Example: ʁaɪχ (Ger.) ɹaɪk (Eng.) ‘Reich’
 - Uvular trill became alveolar central approximant
 - Voiceless uvular fricative became a voiceless velar stop

Speech

As a part of assignment no. 3 you were to have worked on your thesis which has three main points. You are also supposed to use at least one scholarly article as a reference in your speech. Outline and make a draft of your speech and bring to class. We will be discussing this in class as well as be prepared to give the citation of the article you will use in your speech.
